Dread Nation

by Justina Ireland - Call# FIC IRE

Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg and Chancellorsville—derailing the War Between the States and changing America forever. In this new nation, safety for all depends on the work of a few, and laws like the Native and Negro Reeducation Act require certain children attend combat schools to learn to put down the dead.

The Valiant Series

by Lesley Livingston - Call# FIC LIV

When Fallon was just a child, Sorcha was killed by the armies of Julius Caesar. On the eve of her seventeenth birthday, Fallon is excited to follow in her sister's footsteps and earn her place in her father's war band. She never gets the chance. Fallon is captured and sold to an elite training school for female gladiators—owned by none other than Julius Caesar himself. In a cruel twist of fate, the man who destroyed Fallon's family might be her only hope of survival.
