She has developed a crush and made some friends, but a dark secret keeps her from truly opening up to those around her. The Demonata Series

by Darren Shan - Call# FIC SHA

The series centers around three protagonists: Grubitsch "Grubbs" Grady, Cornelius "Kernel" Fleck and Bec MacConn. Although they meet each other at various points, they are from separate times; Grubbs lives in the present day, Kernel in the 1970s and Bec in around 450AD. The books detail their fight against the evil demon master Lord Loss, his many demon familiars and the mysterious Shadow, who promises to destroy the human universe and to even stop death. Together with The Disciples, the main characters thwart the Demonata's attempts at world destruction multiple times.
