### The Illuminae Files Series

by Amie Kaufman & Jay Kristoff - Call# FIC

Kady Grant has typical problems: school, parents, and a boyfriend she just dumped. But life spirals out of control when Kady's planet, Kerenza, is attacked by an unknown enemy. As destruction unfolds around her, Kady manages to escape her planet on one of three ships. As the convoy flees Kerenza with the enemy close behind, it is clear that the problems have just begun.

### The Children of Eden Series

by Joey Graceffa - Call# FIC GRA

*What would you do in order to survive if your very existence were illegal?*

Rowan is a second child in a world where population control measures make her an outlaw, marked for death. She can never go to school, make friends, or get the eye implants that will mark her as a true member of Eden.
