The Weight of Feathers
by Anna-Marie McLemore
CALL# FIC DE

Lace Paloma may be new to her family's show, but she knows as well as anyone that the Corbeaus are pure magia negra, black magic from the devil himself. Simply touching one could mean death, and she's been taught from birth to keep away. But when disaster strikes the small town where both families are performing, it's a Corbeau boy, Cluck, who saves Lace's life.

by Anna-Marie McLemore
CALL# FIC MCL

The del Cisne girls have never just been sisters; they're also rivals, Blanca as obedient and graceful as Roja is vicious and manipulative. Because of a generations-old spell, their family is bound to a bevy of swans deep in the woods. One day, the swans will pull them into a dangerous game that will leave one of them a girl, and trap the other in the body of a swan.
