BOOK REVIEWS

Hip-Hop Artists (Essential Library) Book Set

by Judy Dodge Cummings - CALL# 782.42

This series introduces hip-hop's best and brightest names, highlighting prominent artists in the hip-hop industry and how their music has made a mark. Books will focus on the career of these talented artists, exploring how they got their start in the business and following their rise to fame and highlighting their musical inspiration, charity work, and business ventures.

Hip-Hop Biographies

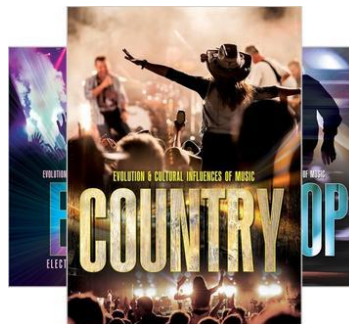

CALL# 782.42

One of the largest growing music genres, Hip-Hop has influenced our modern day culture in many ways. Each of these full-color biographies feature the most well-known artists in the Hip-Hop community. Each biography is written at a low reading level, so that even the most struggling reader can access the material. Books include a timeline and glossary with vocabulary words highlighted throughout.

Evolution & Cultural Influences of Music Book Set

CALL# 782.42

In Evolution & Cultural Influences of Music, readers will examine the history and development of popular musical genres and learn how they have contributed to and shaped American popular culture over the past half-century.

Music Scene Book Set

CALL# 781.64

The music world is ever changing. Although classical, rock, and jazz still have strong followings, many of today's musicians are making names for themselves in other music styles including K-Pop, EDM, and Rap and Hip-Hop. The Music Scene series focuses on what today's new musicians are doing, what they seek to convey through their music, and how they are using new techniques and technology to create and promote their work.
